Women Build is an annual Habitat STW project which empowers women to build homes, enabling them to positively impact the lives of families by making homeownership a present reality.

Women Accepting The Challenge of Housing (W.A.T.C.H.) is a fundraising component of Women Build. It is comprised of a group of dedicated ladies who pledge \$1,000 a year. W.A.T.C.H. members wear a coveted hand-crafted glass lapel pin created by Carol Lapari Designs for each year of their commitment.

Won't you accept the challenge too?
